### COUNTY UNVEILS LARGEST PLAYGROUND

Monroe County Executive Jack Doyle today unveiled the largest playground in the history of the Monroe County Parks Department at Greece Canal Park, 241 Elmgrove Road in the town of Greece. The new playground was built and funded in part by the Greece Rotary Club. In addition, the Honorable Joseph Robach, 134<sup>th</sup> district, New York State Assembly, raised a portion of the money to purchase it.

"This playground is amazing. The best treat a parent can give their child is to make a visit to Greece Canal Park," said Doyle. "Every child will find something fun to do on this playground."

The playground equipment is handicapped accessible and includes swings, slides, and a rock climb. There are two separate structures; one suited for children ages two to five and one for children five to 12.

The new playground is located in the northern section of Greece Canal Park, next to Millennium Lodge. The park is open daily from 8:00 a.m. to 10:00 p.m.
